

Pee Dee Generating Station Environmental Impact Statement

PUBLIC OUTREACH

The Corps wants you to be involved throughout the NEPA process. Your participation is very important. Currently, we are planning to use the following methods to keep you informed and to get your input:

- **Project Website** (www.peedeepowereis.com)
- **Public Meetings**
- **Workshops**
- **Newsletters**

Please let us know how we can best keep you informed and hear from you.

Are there any places in your community where you would like us to come (for example, churches, schools, community centers, etc.)? **Please complete the Public Involvement Survey on the back of the Comment Form.**
